**Subject:** Feb 25 Oregon CZARA Managers Call Action Items and Decisions

## **OR CZARA Managers' Check in Meeting Decisions and Action Items**

### **Action Items**

- Jayne will develop a draft Federal Agencies' response to NWEA's letter and distribute for review (Completed). Once signed, will be emailed to NOAA for signature.
- Christine to begin process of setting up face to face meetings with state agencies related to forestry (late March) and related to agriculture (April).
- Based on the discussion during the call, Jenny will revise the OR CZARA roadmap and distribute for review.

### **Decisions**

- Region 10 will take a leading role during this phase. Although NOAA and EPA HQ will play a less active role, both agencies will continue to weigh in at key points during the process.
- The management and technical team calls will now be held biweekly.
